New Products Process

Did you (or would you) know how to get started?

* How did you find the process working? What is your understanding of the Process?

What do you wish you knew? Desire More Information in Which Areas?

What is your take on interactions between NY/Richmond?

* Did you feel that you understood the process to move the project along? (WAS there a process?)

* Did you have the appropriate resources/ tools/ sponsorship? What is Lacking?

* Where were the roadblocks/ obstacles/ bottlenecks?

Positive Experiences

Less Satisfactory Experiences / Challenges
